

EDUCATION ON YOUR OWN IS EASIER THAN EVER

Missouri Association of Insurance Agents

Webinars are over-the-internet courses conducted in real-time that allow students to receive the highest quality instruction while watching from their own computer, tablet or smartphone. Webinars combine the convenience of online courses with live instruction and interaction with the instructor. Our webinars have a chat box which allows students to ask questions and participate in the course, making for a more dynamic learning experience. Best of all, at the end of the webinar, there is no test required for CE credit to be earned! NONE of the webinars you take from us are pre-recorded; they all take place in real-time and are taught by the instructor who authored the course. Our instructors use a webcam so you will hear and see him/her teach, address questions and provide answers - all in real-time!

Register

Register by mail or online at www.moagent.org and use a credit card. The registration fee is per person. Registrations must be received at least 48 hours (two business days) prior to the webinar you wish to attend. Once your registration has been processed you will receive an emailed confirmation.

Attend

With a computer, internet access and speakers, you can participate in a web-based classroom conducted LIVE. We recommend using the newest version of Google Chrome for the best webinar experience.

Get CE Credit

After the conclusion of the webinar and the completion of the required documentation, the Missouri Association of Insurance Agents will file your CE credit with the Missouri Department of Commerce & Insurance. No exam is required for CE credit.
